

Whitehall Choir

Registered Charity 280478

Becoming a Friend or Patron of the choir

From its origins as a lunchtime madrigal group in the Board of Trade during the Second World War, the Whitehall Choir has developed into a notable performer on the London music scene. Its members, all amateurs, perform in at least three concerts per season in some of the major central London venues.

Become a **Friend** of the choir (membership fee £50 per 12 month season Sept-Aug) and receive the following benefits:

- One top-price ticket for each of the three main concerts per season
- One free programme for each concert
- A 10% discount on additional top-price tickets purchased via the choir
- Best seating area allocated for Friends in unreserved seating concerts
- Advanced notification (ideally by email) of all concerts and events
- Your support acknowledged in concert programmes (or be anonymous)

For the season 2009/10, this represents a minimum saving of £11.

Become a **Patron** (minimum donation £100 per season on which Gift Aid can be claimed) and help support the work of the choir. As well as regular concerts, further activities such as workshops, come and sing events, recordings and tours are undertaken.

Your donation will help with:

- hiring concert venues and professional orchestras
- subsidising the membership fees of low-income members
- enabling additional activities to be planned e.g. workshops
- raising awareness about the choir and its musical activities

For an additional fee of £25 (instead of the usual £50), Patrons can also become a Friend and receive the Friends benefits listed above.

Gift Aid

If you are a UK taxpayer, please fill in the Gift Aid declaration which means that at no further cost to yourself, the choir can claim back tax from the government on your Patron donations. You must pay enough UK income tax and/or capital gains tax yourself to cover the amount of tax the charity will reclaim.
